

Recommend ETS to a friend, and when they have their new ETS room unit or furnace installed, you and your friend, will each receive a \$150.00 bill credit! That's right, you both get a \$150.00 bill credit.\*

*It's Not Magic  
It's ETS!*

**The standard peak periods when the ETS service will be off are:**

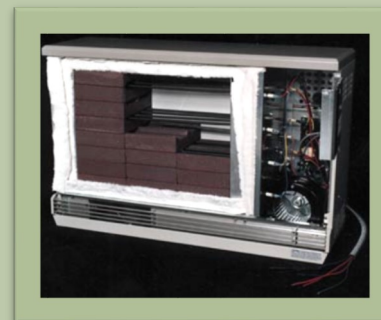

**September 15 - May 15**  
7:00 AM - 11:00 AM, Mon - Fri  
5:00 PM - 10:00 PM, Mon - Thu

**May 16 - September 14**  
Noon - 7:00 PM, Mon - Fri

**Please note that this schedule will vary and times and dates are approximate.**

Tell your friends why you like your Electric Thermal Storage (ETS) heating system, and if they install an ETS system you will both receive a \$150.00 bill credit. That's right, we will give you \$150.00 for each friend who installs an ETS system in their home.

We will pay you for something you already do. Now when you tell your friends about all the great qualities of ETS, like:

- No oil tanks or deliveries to worry about.
- No worry about running out of fuel.
- No wide price fluctuations that make budgeting difficult.
- No burners to maintain or fumes to vent.
- Quieter operation.

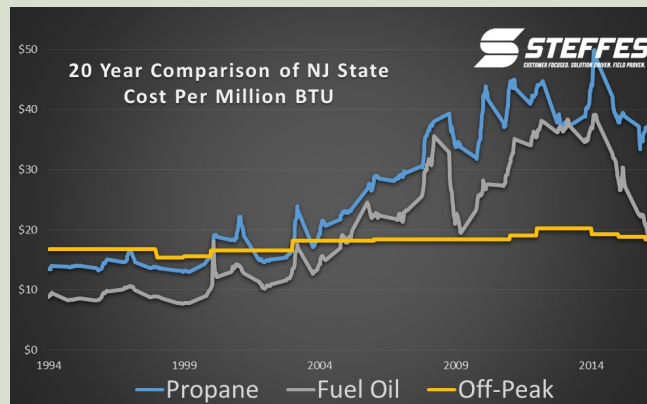

You can also add that you will both receive \$150.00!

Tell your friends that the ETS unit is designed so that the stored heat in the furnace will continue to heat your home until the next off-peak time, when the unit will

charge again. They will still receive the \$1,000 rebate and incentives from SREC when they purchase their ETS system, but now, as an added bonus, **you will both receive a \$150.00 bill credit.**

**Give your friend the attached card to show to SREC or just tell them to mention your name when they call. See rules for details:**

Off-Peak costs remain steady over 20 year period comparison
