

Below is a list of accounts that currently have unclaimed capital credits for the years of 2015 and 2016.

These are accounts belonging to former members who have moved out of Sussex Rural Electric Cooperative's service territory and have not provided us with an updated address where they can receive their capital credit checks. If you know anyone on this list, please inform them that they are owed their capital credits and to contact us at 973-875-5101.

These capital credits are currently being held by Sussex Rural Electric. Unclaimed capital credits were, until a recent change in state legislation, required to be escheated to the state of New Jersey. To search for older capital credits, please check the state's [Unclaimed Property Search Portal](#).

| Account # | Name |
